Hello Steve,

I appreciate your help with this. I will let my team know how we must move forward. Have a great holiday weekend.

Hi Jessica,

Just tried your cell phone number and I think I got your child... ☺

I did talk to Tony about the proposed protocol. Based on that feedback, my conclusion is that the protocol request should be submitted under PRIA as an R272.

If you would like to discuss this further, please give me a call.

Best regards, Steve
